

## End of the Day Review

<u>Directions</u>: There are three parts to this review. Complete each part one by one:

## **PART 1- Complete and Discuss the Following:**

One thing that I learned today is:
One thing that I appreciated today is:
One thing that impacted or affected me personally today is:
One thing that I think I did well today is:
Something I can try to do better next time:
Something I could talk about next session is:
At least one or two specific things that I can and should work on after I leave today:
One last parting thought or idea that comes to mind before I leave today is - (Optional)

**COMPLETE AND DISCUSS PART 1 BEFORE MOVING TO PART 2** 

## PART 2: Giving and Taking Positive Feedback

<u>Directions</u>: Everyone in the group gets a turn. When it is your turn, allow one other person in the group to give you POSITIVE feedback – (Group members sharing feedback should make sure it is positive based on something someone did well – *Not constructive criticism*) The idea is to end the group on a positive note. Some examples of positive feedback:

<b>5</b> 0	me examples of positive reedback:
> >	"I thought it took courage for you to share about today"  "I feel like you one positive thing you brought to the group today was "  "That comment you made earlier about as it gave me something to think about"  "I give you credit that you keep on trying and fighting to get toward your goal of"
	- give you crount that you keep on a ying and lighting to get toward your goal or
